## Introduction

Climate change and regulatory pressures have intensified the focus on carbon emissions. Businesses must now quantify, monitor, and reduce their carbon footprint to mitigate risks, enhance competitiveness, and ensure long-term sustainability. Our CBAM Workshop provides the essential knowledge and tools to navigate the EU's Carbon Border Adjustment Mechanism (CBAM). Learn how to quantify, monitor, report, and verify carbon emissions to meet CBAM requirements and position your organisation for success in a low-carbon economy.

## Learning Outcomes

At the end of this programme, the participants will be able to:

1. Identify key components in carbon accounting and reporting based on the CBAM reporting requirements.
2. Describe impacts of the CBAM on businesses.
3. Apply carbon emissions quantification, monitoring, and reporting practices based on the CBAM reporting requirements.
