Introduction

ESG is no longer optional. Investors, customers, and employees demand it. But navigating the complex world of ESG can be challenging. Our workshop cuts through the confusion, providing practical guidance on ESG reporting, stakeholder engagement, and emerging trends like the greenhouse gas emissions and carbon credit. Whether you're new to sustainability or a seasoned pro, we'll equip you to build a high-impact ESG strategy that drives business success and benefits society.

Learning Outcomes

At the end of this programme, the participants will be able to

1. Explain what is ESG and sustainability
2. Describe the forces driving adoption of ESG and sustainability
3. Recognise the good and bad practices in communicating ESG and sustainability
4. Apply ESG and sustainability reporting practices in your organisation
5. Identify the key trends in ESG and sustainability
